

All candidates are being offered the opportunity to provide a brief professional bio that will be included on the chapter website prior to the election. You may include up to 100 words total for your bio. You may include an electronic picture file, if you like. The chapter N&E committee will create this attachment and post it on the chapter site.

Here are some things you could consider including:

- Employer and job title
- Positions you have held and/or the awards or honors you have won with the chapter, with SGMP, and/or with any other organization or entity
- The talents you would bring to the chapter board
- The goal(s) of your service to SGMP

Your bio should be utilized as shown below. There are no exceptions to the 100-word limit and no exceptions to the deadline.

CHAPTER PRESIDENT CANDIDATES

Jane Brown, CMP
